

Enviro-access

GHG Experts

HEAD, GHG EMISSION AUDITS

APPLICATION CRITERIA

- Five years of experience
-
- CPA auditor

DESCRIPTION OF THE JOB OFFER

Experiencing constant growth in the GHG audit sector, Enviro-access is looking for a person in charge of GHG Emission Audits, to complement its teams at its Sherbrooke and Montreal offices and to take part in the company's business development strategy.

Firmly established in Quebec, Enviro-access has technical expertise in quantifying GHG emissions and is a GHG validation and verification organization accredited by the Standards Council of Canada.

Responsibilities

- Develop the company's client base and visibility in accordance with the organization's strategies;
- Interact with clients and identify their needs;
- Participate in drafting proposals;
- Plan audit mandates under his or her responsibility;
- Manage the execution of audit mandates in accordance with schedules and budgets;
- Manage the audit teams' professional resources;
- Review audit files under his or her responsibilities;
- Participate in the execution of audit mandates related to his or her field of expertise;
- Ensure that deliverables meet the expectations and needs of clients and the organization;
- Ensure the profitability of mandates under his or her responsibility;
- Participate in special mandates.

Qualifications

- Bachelor's degree in Accounting Sciences, CPA auditor designation (CA, CGA, or CMA);
- At least five years of experience;
- Knowledge of Canadian accounting standards (ASPE and ASNPO);
- Knowledge of Canadian certification standards (audit and review);
- Knowledge of GHG emissions quantification and verification standards (an asset);
- Knowledge of computer tools such as Office Suite;
- Functional bilingualism (French/English) required;
- Willingness and availability to travel throughout Canada.

Personal skills

- Solid interpersonal and communications skills;
- Leadership and drive;
- Initiative, resourcefulness, and autonomy;

We are offering

- Ability to manage multiple mandates and professional resources;
- Team spirit;
- Ability to work under pressure.

- A job that promotes proper balance between professional challenges and personal quality of life;
- Compensation based on your qualifications and experience, plus competitive benefits;
- An ongoing training program;
- A vibrant, stimulating, and friendly environment.

The selected candidate could be based in either Montreal or Sherbrooke.
